2022 Digital Public Administration Factsheets

The Digital Public Administration Factsheets provide a country-level, yearly overview on the latest developments and advances on digital public administration and interoperability matters in 35 European countries and the European Union. Read more: **Digital Public Administration Factsheets 2022** and the **Digital Policy Hub**.
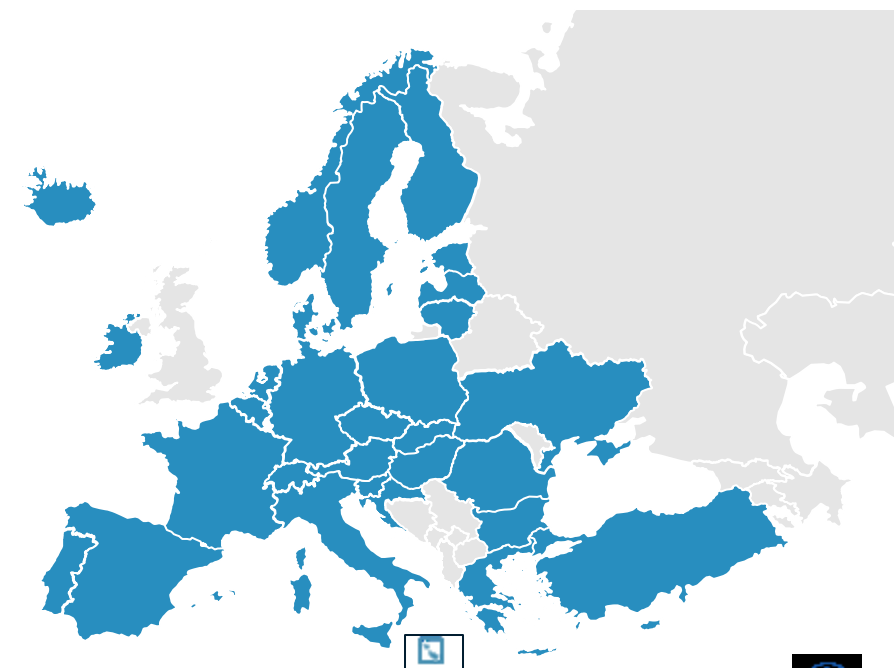

Be the **prime source of country intelligence** on all digital public administration and interoperability-related matters in Europe.

Provide the readers with an **overview of each country's basic data** as well as some **specific indicators** related to the digital transformation and interoperability.

Report **the latest political communications, legislations, infrastructures,** as well as the latest **changes in governance** within the countries when it comes to digital public administration and interoperability, among others.

The *Digital Public Administration factsheets* are updated in close collaboration with National Contact Points from 35 European countries.
