Tourismus NRW e.V.

DIGITAL TRANSFORMATION IN TOURISM

- networked guest
- destination as a competitive unit

> digitalisation of the
customer journey

ARE THE DESTINATIONS READY AT ALL?

DESTINATIONS THAT MAKE THEIR DATA FREELY AVAILABLE FOR FURTHER USE

■ Yes ■ only within my destination ■ No ■ is being examined

MAIN-ISSUES

82 %

Lack of human resources

44 %

Lack of financial resources

34 %

Dependence on (technical) administrative structures

32 %

Lack of know-how or digitisation competence

32 %

Lack of strategic foundations

BASIS FOR THE DIGITAL TRANSFORMATION: MACHINE READABLE DATA

Google search results for "Konzert in Düsseldorf". The search bar shows the query and icons for voice search, image search, and search. Below the search bar are filters for "Alle", "Bilder", "News", "Maps", "Videos", and "Mehr". The results show approximately 6,360,000 results in 0.51 seconds.

Tourismus NRW e.V.

DATA MANAGEMENT CREATES MACHINE-READABLE DATA

"Care once, play everywhere"

HOW DOES THE DATA HUB NRW WORK?

- Data silos of individual platforms are combined on the hub
- Connection of the databases of the tourism regions in NRW + further content sources

WIE FUNKTIONIERT DER DATA HUB NRW?

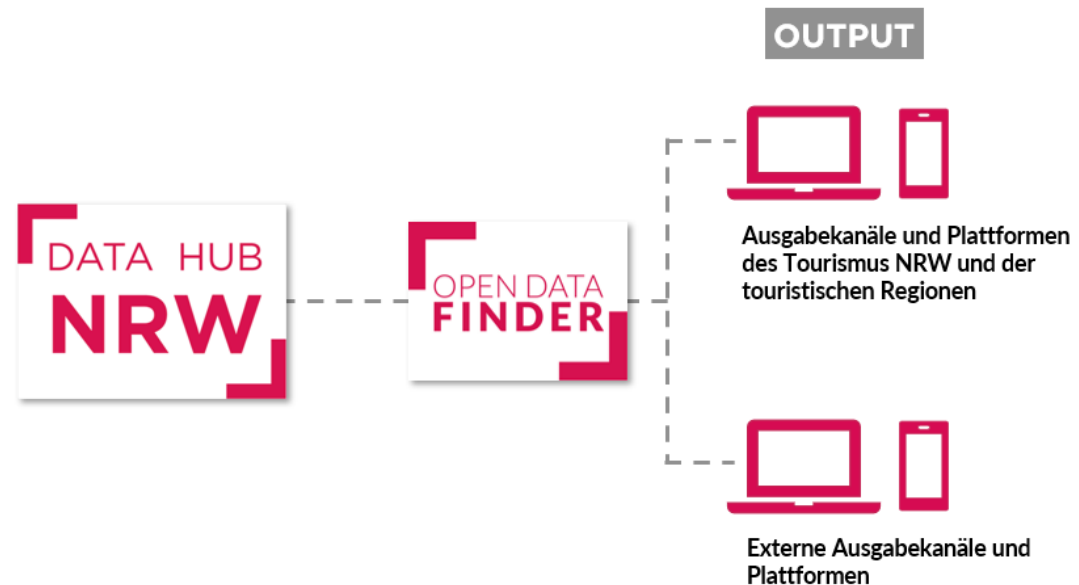

- A licensing system for Open Data and international usability
- Uniform data standards for machine readability
- Uniform data quality criteria for reliability
- Clear responsibilities (data culture + cooperation)

WIE FUNKTIONIERT DER DATA HUB NRW?

- Use of the open data from the Data Hub NRW possible for everyone
- Access to the data via the Open Data Finder

tourismusverband.nrw/open-data-finder

The logo for Data Hub NRW is a white square with a red L-shaped corner graphic. It contains the text "DATA HUB" in a red sans-serif font and "NRW" in a larger, bold red sans-serif font below it.

DATA HUB
NRW

The question text is presented in two white horizontal bars with black text. The first bar contains "HOW MANY DATA SETS ARE" and the second bar contains "IN THE DATA HUB NRW?".

**HOW MANY DATA SETS ARE
IN THE DATA HUB NRW?**

The logo for Nordrhein-Westfalen is a vertical stack of text: "NORD" in red, "RHEIN" in yellow, "WEST" in blue, and "FALEN" in blue.

WHY ARE DATA HUBS THE BASIS OF INNOVATION?

**NORD
RHEIN
WEST
FALEN**

Tourismus NRW e.V.

LEARNINGS

- Uniform data standards and the opening up of data in tourism in terms of licensing law must be jointly developed, which should bring with it the corresponding visibility.
- The Data Hub NRW's stringent open data approach enables us to increase the usability of the datasets and avoid duplicate maintenance.
-
- The digital infrastructure will only benefit if sufficient digital use cases are developed, existing digital use cases are supported and destinations are encouraged to use their data independently for different channels.
- We have to use the opportunities and challenges of the digital transformation, tailored to the destination, to be successful in competition.

**FUTURE: SOMETHING THAT IS USUALLY THERE
BEFORE WE EXPECT IT TO BE**
