

Time and Funding for an Impact Plan

- Researchers: Collection of scientific evidence → given TIME (1 to 6 months) dedicated to implement an **Impact Plan**
- Impact Plan consists of:
 1. Communicating end results to appropriate non-scientific stakeholders (e.g., federal authorities)
 2. Discussion
 3. (Co-)design policy recommendations and lessons learned for the future
- Identification of authorities and institutions that will benefit → HOW do they benefit → how will team engage with beneficiaries
- Cost and duration of the activities
- Letters of support

Letter of support (non-academic stakeholders)

LETTER OF INVOLVEMENT TO THE <ACRONYM> PROPOSAL

THIS IS A NON-MANDATORY DOCUMENT

INFORMATION REGARDING THE STAKEHOLDER DEPARTMENT/INSTITUTION

First name:	
Last name:	
Gender:	<input type="checkbox"/> Female <input type="checkbox"/> Male <input type="checkbox"/> Other: [you may specify if you wish to do so here]
Institution:	
Department:	
Email:	
Telephone:	
Website:	

I hereby express my support to the proposal. More specifically, I intend to:

- participate in the follow-up committee.
- participate in the impact plan and discuss the scientific results in useful ways for my organisation.
- participate in kind and/or in cash to the follow-up committee and/or the impact [plan](#)

Describe why you want to join the follow-up committee of the project and what you could contribute, if applicable (for example access to data...):

Click here to enter text.

Describe with what information / data / support you would contribute to the project:

Click here to enter text.

What do you expect the team to do ~~in order to~~ distil the scientific evidence in ways that are appropriate for your institution?

Click here to enter text.

In case you plan to provide in-cash or ~~in-KIND~~ support, please provide details:
