

Mr Van Driessche Frank is Adviser on Revenue Administration in the Director General of the European Commission for Structural Reform Support (DG REFORM). Previously he was the Head of the Office for Structural Reform Support in Athens, coordinating across-government technical assistance in support of the Economic Adjustment Programme for Greece. Currently he is responsible for the coordination of technical support to Croatia on a vast number of economic policies, including among others public administration, business environment, health, public finance, revenue, and financial sector reform. Mr Van Driesche is a tax lawyer and economist and works for 28 years for the European Commission.
