

Event Speaker Biography

Cécile Jolly

Project manager for prospective professions and qualifications, France Stratégie

A graduate of Sciences Po Paris with an MAS in Political Science and an MBA from ESSEC, Cécile Jolly is currently senior economist at France Strategies' "Work and Employment" department under the French Prime Minister. She coordinates the periodic job and skill forecasts and steers a cross cutting project on Future of work.

She published recently [Occupations in 2030](#) (France Stratégie and Dares, mars 2022), [Competence Mapping by Occupations](#) (France Stratégie, mai 2021) and [Labour market polarisation: are there more low-skilled jobs in France?](#) (France Stratégie, décembre 2020).
