	<p>Q: How can we manage better the digital transformation in public administration? What works and what does not in governance roles and processes at domestic level?</p> <p>Q: How can we bring digital at the centre of organisational development in public administration? What can we improve, what can we keep in defining the strategies, resources, budgeting of individual organisations?</p> <p>Q: What challenges in managing digital transformation in public administration we can effectively address together?</p> <p>Q: How can public administration be an attractive working place for digital specialists, while preserving the basic principles of civil service policy? What existing and possible practices we can apply? How to attract young digital talents to the civil service? How to offer attractive career paths and opportunities for digital talents?</p> <p>Q: What are we missing in managing the digital transformation of public administration today?</p>		
	<b>Break</b>		16:00-16:30
7)	<b>Feedback from discussions and next steps in the area of digital transformation and new technologies</b>	Moderator: Daniele DOTTO, Deputy Director, DG REFORM	16:30-17:30
