

# LUXEMBOURG

## PUBLIC ADMINISTRATION AND GOVERNANCE

### Country Overview

### STRATEGIC FRAMEWORK

The government of Luxembourg conducts fundamental reforms centred on administrative simplification and the reorientation of the functioning of the State. The government's priority axes are reflected in the Recovery and Resilience Plan (RRP) for Luxembourg, which promotes digitalisation for the development of a knowledge-based economy. The Ministry of Civil Service is responsible for the implementation of the administrative reforms, together with the Ministry for Digitalisation. For more information, please see EUPACK Country briefs, <https://europa.eu/!NpmyVF>
