Digital transformation for regional and local authorities

IMPACT

- Acceleration of the **digital transition** in the EU Member States through the implementation of **EU digital strategies** (such as the 2030 Digital Decade or the Once-Only principle) at the regional and local levels

- Enhanced **digital administration** at the **regional** and **local** levels

- Improved quality of **digital services for citizens** and businesses

- Increased **socio-economic attractiveness** of regions

OBJECTIVES

Support regional and local administrations to translate the national digital transition plans at regional and local level

Unleash the benefits of digitalisation for citizens and businesses alike

Support the concrete implementation of EU and national digital strategies

European Commission

...gital transformation for regional and local authorities

TECHNICAL SUPPORT MEASURES

SUSTAINABLE CONNECTIVITY

- Local deployment of the national **"5G corridor deployment strategy"**
- Business process reengineering

- Technical specifications
- Proofs of concept
- Digital skills for regional and local administrations

SMART CITIES

- **Smart cities strategy** (including the development of local digital platforms and local digital twins)
- Business process reengineering

- Technical specifications
- Proofs of concept
- Digital skills for regional and local administrations

CONNECTED PUBLIC ADMINISTRATION

- **Once-Only** and **eIDAS** implementation design
- Regional and local public administrations business process reengineering
- Technical specifications for eIDAS and Once-Only principle solutions
- Proofs of concept and implementation guidelines for advanced digital technologies (e.g., AI)

- Strategies for **ensuring digital skills** for regional and local administrations (including training materials, training the trainers, policies for recruitment and outsourcing)
- Reinforced local digital governance to better coordinate the design and implementation of digital services and increase the interoperability and efficiency of investments

European Commission
