

George Gerapetritis is Minister of State of the Hellenic Republic.

He was born in 1967 in Menetes, Karpathos and grew up in Piraeus.

A graduate of the Law School of the University of Athens, he proceeded to postgraduate studies at the University of Edinburgh and then received a PhD from the University of Oxford.

In his long academic career, he has also been a visiting professor at the Universities of Oxford and London (London School of Economics and Institute of Advanced Legal Studies).

In parallel with his academic career, he has held important positions in international and national organizations, while he has also participated in a large number of legislative drafters.

He is the author of seven scientific books and about 100 contributions to Greek and international scientific journals in Greek, English and French, as well as co-editor of two collective volumes
